

PTO Meeting 11/07/16

Welcome from Mrs. Citta : opening prayer

Computer lab – IS excellent and the students love it!! Thank you to Mr. Adams and Benefactor!!

Lunch Program - many thanks to our helpers, including the Center of Hope who love to come.

The program is at risk however if we do not get more volunteers for the program. The Health Department is very strict and we need to be able to properly support the program which includes a thorough wipe down of the kitchen once lunch has ended. It requires about 1 hour to 1 ½ hours of volunteer time to anyone who can help. We will have to stop the program if more volunteers don't come forward.

One suggestion at the meeting was to announce the need on Facebook and also for it to be mentioned at the Catholic Schools Reunion this coming weekend.

Alumni Reunion - Mrs. Citta thanked the many involved (The Stakeholders Committee) for helping to make the event possible including the new crest that has been created for the school by Cindy Capillo!!

Pasta dinner - 110 people rsvp so far - a thanks to Tony Postale for all his hard work to prepare the family dinner. We would like to hold future social events/dinners like this going forward as well.

Election of Board Members - The rules state that each role has a 3 year term with an option to add one additional year if reappointed. Al Menard – PTO President and Jennifer Simpson – PTO Vice President were up for their terms and were unanimously voted in for an additional year. A new President and Vice President will be needed for next year. Any interested parties should speak with Mrs. Citta to submit their name or submit their name for consideration at a PTO meeting.

Updates from Al Menard:

Christmas Tree fundraiser:

In the courtyard of Notre Dame Church on 11/26, 11/27, 12/3 & 12/4
