

We loved Polar Express Day in Preschool!! We wore our pjs, brought a stuffy, got train tickets, had cocoa and cookies, watched Polar Express and took a special bell home. Mrs. Citta took time to come and watch a little too.

We had a lot of fun learning about the Latin celebration called Posadas. We went around the school acting out the story of Jesus and Mary looking for a place to stay and then we went to the gym to break open pinatas with our buddies.
