

Catholic Schools week was so much fun. On Sunday after Mass we showed people what we do in preschool at our Open House. On Monday we put bags together for people in our community. We made sundaes for Student Appreciation Day.

During winter games, we did the chicken song with our 3<sup>rd</sup> grade buddies. On grandparent's day we had our grandparents visit our room, we danced together, had our picture taken together and made a craft together. On Drop Everything and Read Day we had lots of parents come in to read to us. It was a great week!
