### Reading, Math & Supply List

#### Reading List

*Number the Stars* by Lois Lowry

Please read this book towards the end of summer as we will be working on it in class.

Choose one:

*Because of Winn-Dixie* by Kate DiCamillo

*Hoot* by Carl Hiaasen

*From the Mixed-Up Files of Mrs. Basil E. Frankweiler* by e.l. konigsburg

You are to write a book review on one of the above books. The book review will consist of four paragraphs, each having a special purpose.

**Setting:** The first paragraph will be the where and when of the story. This will be a short paragraph.

**Characters:** The second paragraph will describe the main characters of the story. You should describe what they look like and what kind of person each of them is.

**Conflict:** The third paragraph will describe what steps led up to the conflict the main characters faced and how they solved the problem.

**Opinion:** The fourth paragraph will tell whether or not you liked the novel. You need to give specific reasons from the novel to back up your opinion. You will also need to state whether or not you would recommend this novel to a friend and why.

### Summer Math Work

Students will be completing their *Simple Solutions* book this summer. If they do ten pages a week (2 pages a day), they should complete it in plenty of time. Most pages take fifteen to twenty minutes to complete. Books are due on August 30, 2017.

I am also strongly recommending that all students continue to work on their multiplication and division facts during the summer. Brushing up on addition and subtraction skills is a good idea, too!

I'm looking forward to working with you and your child this coming school year.

Rest, relax, and enjoy your summer!

Peace in Christ,

Mrs. LaFleche
