Good Evening Parents,

Admittedly, your new board started out with a wave of ideas and we have been slow at implementing many of them. All, and more, are still in the works, but slightly delayed. Please see the updates below:

Parent's Night Out: Many of you have asked about progress on Parent's night out. We have not forgotten. Our hopes are to have some more definitive updates for you by November's meeting. Altruist is still our first choice, but are open to any suggestions. We are convinced this will be a great opportunity to build stronger relationships among the Trinity families.

Collegiate Style Car Window Banners: Car window banners are still available from Mrs. Letourneau. We will have these available the night of the PTO meeting.

Gift Card Sales: The Shopwithscrips.com account is live as of 10/31/2018. Within the next few days, I will be sending out additional details on setting up an account, ordering gift cards, etc. **WATCH FOR AN EMAIL FROM TRINITY.**

Santa's Workshop: We are proud to announce a new approach to the Santa's workshop. Through parent feedback, and personal experience, we recognize some of the hesitations related to the previous

Santa's workshops. After more than a decade with the previous vendor, We saw an opportunity to offer something new; This, with our desire to build stronger relationships with our community, have worked with local businesses to bring their products in and provide an alternate, more diverse line of products for the students to purchase. Sturbridge Yankee Peddler, St. Anne's Gift Shop, and Compatible Canines have already committed to attend. We are working with additional businesses and will update as available. We are targeting similar product price ranges as in previous years.

What goes where?: Improved communication is still a goal of ours. Alejandro, Janell and I would like to invite volunteers to develop a PTO Budget Committee. The role of this committee would be to further evaluate the requests of Trinity staff, define our fundraising goals, and post our progress.

Please continue to feel free to contact the PTO at TrinityCA.PTO@GMAIL.COM.

Respectfully,

Josh Beu, Alejandro Henao & Janell Forget.
