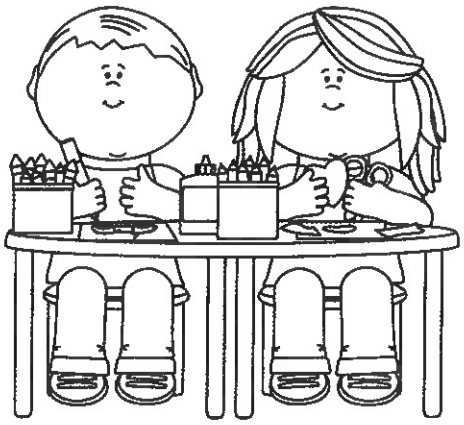
Summer Homework

for Rising

2nd Graders



1. Complete the Summer Homework Package-There are 7 weeks to be completed before the end of the summer (Please do the work neatly)
2. Read "***Pirates Past Noon***" by Mary Pope Osborne
   (Parents you might want to read the chapters with your child)

- After your child reads a chapter have him/her complete the reading response page that goes with that chapter. (The reading response pages can be found at the end of this package.

3. **Your child should work on memorizing their addition and subtraction facts to 18 over the summer months.**

- I have included Addition and Subtraction Speed Drill pages at the end of the package. Please feel free to make copies for your child to do during the summer months. In September your child will have a test on the addition and subtraction facts. (They should be able to complete the 100 addition problems in 3 minutes and the 100 subtraction problems in 4 minutes) They will be timed in September. Students should not be using a number line or fingers to find the answers! These facts should be memorized!

This packet must be returned, completed, to Ms. Curran on the first day of school.
