

Summer Reading for Second Grade 2020

Magic Tree House Book-**Dinosaurs Before Dark**-by Mary Pope Osborne-Book 1 in the series

Magic Tree House Book-**The Knight at Dawn**-by Mary Pope Osborne-Book 2 in the series

Note: Parents, Please have your child read these two books over the summer. If your child is having difficulty with reading these books you may read them aloud to your child. In September, we will be doing several activities with these books during school so it would be helpful if they have their own copy of each of these books.

Summer Math for Second Grade 2020

Please continue working on **Rocket Math**. Your child will sign on with the same user name and password from First Grade. Your child will continue from where they left off from first grade. Your child should try to login on to Rocket Math at least 4 times during the week. I would like for all students to get through addition and subtraction tracks. I will check the site often to see how your child is progressing and if they would have to be moved up to a new track (from addition, subtraction, fact families, add to 20, or subtract from 20)
