

BOX TOPS FOR EDUCATION

October 2021

Welcome back to school, Trinity family! Our school is participating in Box Tops for Education, which means that you can earn cash with the products you already buy to help our school get the supplies it needs. Our goal is to earn \$1,000 through Box Tops this year to help purchase extras for our school.

Here's how you can help:

1. Download the Box Tops app on your phone and follow instructions on how to set up an account and sign up to support our school.
2. Then, just shop as you normally would.
3. Use the app to snap a photo of your receipt within 14 days of purchase. It'll automatically identify any Box Tops participating products and you'll give back to our school with each product you buy. Twice a year, we'll get a check!

If you shop online, you can earn with your digital or email receipt, too. See how to submit those receipts at [BTFE.com/digitalreceipts](https://www.btfefoundation.com/digitalreceipts).

Help us give students what they need to succeed. Many of you have used the app to scan box tops throughout the summer. Great job!

Let's continue that momentum and see how much we can earn.

Thank you

Your Box Top Coordinator
