

Hello Kindergarten Parents:

Welcome! As we begin to prepare for Kindergarten 2022-23, here are some skills we would like your child to work on during the summer.

1. Practice writing their name.
2. Practice counting to 20.
3. Read a couple of books each week with your child.

If you have any questions, please feel free to reach me at angela.symock@tca11.com

Have a safe and fun summer! See you soon.

Peace
