

Hello Kindergarten Parents:

Welcome! My name is Ms. Cabrera and I will be your child's kindergarten teacher. As we begin to prepare for kindergarten, there are skills I would like your child to practice during the summer so we can dive right into the curriculum in the fall.

1. Practice writing their name, I've enclosed paper.
2. Practice counting to 20. Flashcards work well.
3. Read together as much as you can. Attached is a reading log that will make keeping track fun. Also, the Southbridge Library is hosting a Summer Reading Program, stop by the library to learn more. Your child will earn neat incentives as they participate.

If you have any questions, please feel free to reach out to me at [Jessica.Cabrera@tca11.com](mailto:Jessica.Cabrera@tca11.com)
